Although Rachel may have a birthday party, at press time, no formal anniversary celebration is planned for Pigs on Parade. But a few of the decorated pig statues remain around town, and there are plans to return *Pig Not to Scale* to the Market in the "Cave" area near the LaSalle

Creamery. The Foundation is working out the details with the Pike Place Market Historical Commission.

Here is a list of the Pigs on Parade still in Seattle. You may need to call ahead for permission to view a few of the statues—the numbers are listed below.
